V. We'll do it all, everything, on our own.

We don't need, anything, or anyone.

C. If I lay here, if I just lay here,

Would you lie with me and just forget the world?

V. I don't know, how to say, how I feel.

Those three words, are said too much, they're not enough.

C. If I lay here, if I just lay here,

Would you lie with me and just forget the world?

Forget what we're told, before we get too old,

Show me a garden that's bursting into life.

V. Let's waste time, chasing cars, around our head.

I need your grace, to remind me, to find my own.

C. If I lay here, if I just lay here,

Would you lie with me and just forget the world?

Forget what we're told, before we get too old,

Show me a garden that's bursting into life.

C. All that I am, all that I ever was,

Is here in your perfect eyes, they're all I can see.

I don't know where, confused about how as well,

Just know that these things will never

change for us at all.

C. If I lay here, if I just lay here,

Would you lie with me and just forget the world?
